

Hi!Breakfast #2

Monday 28 November 2022, 9.30 to 11.00

ENSAE Paris – Room 3001

[PLEASE REGISTER HERE !](#)

Meet the Hi! PARIS Engineering Team for breakfast!

What's an Hi!Breakfast?

The **Hi!Breakfasts** are special moments within schools of the Hi! PARIS network between students, post-docs, researchers and the **Hi! PARIS Engineering Team**. Coffee ☕ and croissants 🥐 and good talks!

We will introduce the **Hi! PARIS Engineering Team** and its objective to **provide engineering support for their AI and DS research projects** (e.g. coding/implementation/POC/etc.). Our activities are dedicated to the faculties and researchers of **HEC Paris, IP Paris schools and Inria (Centre Inria de Saclay)**.

We will present **two completed and delivered projects** with the support of the Hi! PARIS Engineering Team, as well as the Engineering Team request platform.

Finally, during the **Q&A session** we will answer your questions to both the engineers and the researchers.

Program

09.30 - 10.00 – WELCOME 🙋 + ☕

10.00 - 10.05 – INTRODUCTION

10.05 - 10.20 – Hi! PARIS ENGINEERING TEAM ACTIVITIES AND OUR ENGINEERING PORTAL
