

# Call for applications

## Postdoctoral Fellowships

Deadline for applications:  
May 5, 2023 at noon

Hi! PARIS is pleased to announce and present our **Call for Postdoctoral Fellowships**.

**Hi! PARIS** is the new interdisciplinary Center on Data Analytics and Artificial Intelligence for Science, Business and Society created by [Institut Polytechnique de Paris](#) (IP Paris) and [HEC Paris](#) and recently joined by [Inria](#) (Centre Inria de Saclay). One of the central aims of Hi! PARIS is to **conduct breakthrough and multidisciplinary research on AI and Data Science**.

The Hi! PARIS postdoctoral fellows will be expected to undertake research within Hi! PARIS scientific fields, in one of the research laboratories of IP Paris or of HEC Paris. The Hi! PARIS postdoctoral researchers will participate in academic activities organized by Hi! PARIS: research seminars, workshops, conferences, meetups, etc. and provide an annual activity report.

Postdoctoral fellowships will be awarded through a competitive selection process. Each Fellowship will cover the full salary (including all taxes). Each Fellowship will be provided for a 12-month period and can be renewed for another 12 months.

### Eligibility and admissibility

The postdoc positions are intended for excellent early-career researchers. To be eligible, candidates must:

- have defended – or be due to defend – their PhD between 1 September 2020 and 31 August 2023
- have a mentor from IP Paris or HEC Paris and a host research group belonging to IP Paris or HEC Paris

Incomplete applications will not be admissible, and no applications will be accepted after the submission deadline.

### Application and admissibility

Applicants are asked to apply by email to [project@hi-paris.fr](mailto:project@hi-paris.fr). The subject of the email should mention the object “Hi! PARIS Call for Postdoctoral Fellowships”. The project proposal written in **English** should be composed of **one single pdf file** combining the following documents:

1. Cover letter and Curriculum Vitae and track record
2. Research project description (3 pages maximum)
3. Support letter from the mentor (from IP Paris or HEC Paris) and the host research group
4. 2 recommendation letters from academic referees and the contact information of the referees

### Important dates (indicative)
