

Call for applications

Postdoctoral Fellowships 2024

Deadline for applications:
January 15, 2024 at noon

Hi! PARIS is pleased to announce and present our **Call for Postdoctoral Fellowships**.

Hi! PARIS is the new interdisciplinary Center on Data Analytics and Artificial Intelligence for Science, Business and Society created by [Institut Polytechnique de Paris](#) (IP Paris) and [HEC Paris](#) and recently joined by [Inria](#) (Centre Inria de Saclay). One of the central aims of Hi! PARIS is to **conduct breakthrough and multidisciplinary research on AI and Data Science**.

The Hi! PARIS postdoctoral fellows will be expected to undertake research within Hi! PARIS scientific fields, in one of the research laboratories of IP Paris or of HEC Paris. The Hi! PARIS postdoctoral researchers will participate in academic activities organized by Hi! PARIS: research seminars, workshops, conferences, meetups, etc. and provide an annual activity report.

Postdoctoral fellowships will be awarded through a competitive selection process. Each Fellowship will only cover the candidate salary (including all taxes). Each Fellowship will be provided for a 12-month period and can be renewed for another 12 months.

Eligibility and admissibility

The postdoc positions are intended for excellent early-career researchers. To be eligible, candidates must:

- have defended – or be due to defend – their PhD between 1 September 2021 and 31 August 2024
- have a mentor from IP Paris or HEC Paris and a host research group belonging to IP Paris or HEC Paris

Incomplete applications will not be admissible, and no applications will be accepted after the submission deadline.

Application and admissibility

Applicants are asked to apply by email to project@hi-paris.fr. The subject of the email should mention the object “Hi! PARIS Call for Postdoctoral Fellowships”. The project proposal written in English should be composed of one single pdf file combining the following documents:

1. Cover letter, Curriculum Vitae and track record
2. Research project description (3 pages maximum)
3. Support letter from the mentor (from IP Paris or HEC Paris) and the host research group
4. 2 recommendation letters from academic referees and the contact information of the referees (names and email address)

Important dates (indicative)

- January 15, 2024 at noon (Paris Time): Submission deadline
- February 15, 2024: Notification of admissibility to applicants
- March 15, 2024: Funding decision and notification to applicants
- September-November 2024: Starting date of the postdoctoral fellowship

Evaluation process and selection criteria

The evaluation process is launched as soon as the deadline is passed. The proposals are evaluated by a panel issued from the Hi! PARIS Academic Operating Committee (composed of researchers, academic representatives from the institutions involved in the Center). External reviewers could be involved in the evaluation process, if necessary and according to their expertise. The funding decision is validated by the Hi! PARIS Academic Operating Committee under the responsibility of the Hi! PARIS Executive Director.

The project proposals will be prioritized according to the followings:

- Profile of the candidate (quality of the CV and excellence of the track record)
- Research project excellence (subject; quality, innovation and feasibility of the project)
- Host research team, supervision, and environment
- Relevance to Hi! PARIS

Further information
