Proposal summary

The abstract (summary) should, at a glance, provide the reader with a clear understanding of the objectives of the research proposal and how they will be achieved.

Please use plain typed text, avoiding formulae and other special characters. The abstract must be written in English. There is a limit of one page.

¹ Template adapted from the Original ERC [Texte]

Part A+B: (max. 6 pages, references do not count towards the page limits)

A. Extended Synopsis of the scientific proposal (max 5 pages)

[The Extended Synopsis should give a concise presentation of the scientific proposal, with particular attention to the ground-breaking nature of the research project, which will allow evaluation panels to assess the feasibility of the outlined scientific approach. Describe the proposed work in the context of the state of the art of the field. References to literature should also be included.

Please respect the following formatting constraints: Times New Roman, Arial or similar, at least font size 11, margins (2.0 cm side and 1.5 cm top and bottom), single line spacing.

Proposals that do not comply with the format constraints will not be evaluated.

B. Budget (max 1 page)

The overall project budget must highlight the breakdown of direct costs across all categories deemed necessary for the project, including, for example, personnel, equipment and other costs (travel, publication costs, etc.). The presentation does not include management fees.

You must present the breakdown of funding between Hi! PARIS and private funding.

You should specify your own commitment in terms of percentage of working time you are willing to devote to the fellowship and the size and nature of the team you plan to gather for the fellowship' project (Phds, postdocs or other staff members).

Include a short technical description of any requested equipment, why it is needed and the planned usage for the project.

C. Curriculum vitae (max. 2 pages)

[Please follow the template below as closely as possible; it may be adapted as necessary]
